## PROFESSIONAL SUMMARY

Digital Media Designer with a background in Video Editing, Motion Graphics, Web Design, and Graphic Design. I possess a wide range of design abilities that combine a love for storytelling and innovative design principles to create and execute engaging graphics and video content that tell a compelling story.

## SKILLS

Adobe Photoshop, Adobe Premiere Pro, Adobe After Effects.

Maya, 3D Fusion, Blender, HTML & CSS, P5 JavaScript.

- I have experience in multi-media design and currently work as a part-time, freelance graphic designer to design and develop animated logos for clients.
- The software programs I consistently use as my main medium as a freelance artist are Blender 3D animation software and Adobe Premiere Pro.
- I have earned college degrees in design. The intensive coursework taken during my undergraduate helped provide a solid educational background in multi-media art and design.

## EXPERIENCE

- **"Current" Employer: Santa Cruz Spine & Sport**

**Job Title: Marketer**

*Duration: May 2025 - Still Employed*

A part-time position where I work an 15 - 20 hours a week. As a Marketer, my hybrid position is based on Graphic Design and Video Editing in Santa Cruz, CA. I work on site once a week to film patients from a Chiropractic clinic and edit raw footage with Adobe Premiere Pro in order to upload edited footages and reels on the company's social media accounts on YouTube, Tiktok, etc... I also create thumbnails for the edited videos and reels which is where the Graphic Design portion of the position comes in.

- **"Current" Employer: Security Industries Solutions**

**Job Title: Security Guard Specialist**

*Duration: February 2024 - Still Employed*

I currently work for as a full-time Security Guard company called Security Industries Solutions. I commute from San Jose to Sunnyvale where I drive the patrol vehicle and conduct customer service.

- **Employer: Soarkidz**

**Job Title: Community Manager and Video Editor**

*Duration: February 2023 - August 2023*

I currently work at a private online class company which teaches students advanced courses in writing, reading, and debating which public schools don't teach from 1st grade - 8th grade. I work on the technical department when it comes to data and office management. I use Adobe CC especially in Premiere Pro to edit teacher's introduction videos and online classes for social media such as YouTube which our target audience are parents.

- **Employer: Self-Employed**

**Job Title: Freelance Graphic Designer and Content Creator**

*Duration: January 2019 - Present*

Use my knowledge and skills in 3D software to create film animations. I also have skills in Adobe programs to help clients build their company. I have produced creative assets for delivery across a variety of social and digital mediums, formats, and platforms.

- **Employer: Legiosix**

**Job Title: Freelance/Video Content Specialist**

*Duration: December 2022 - February 2023*

Legiosix is a company similar to UpWork. Employers gives me a list of video projects to work on and I get paid by the amount of work I put in. On a weekly basis I am given a list of projects to work on. I can choose which projects to work on which is usually either video editing or Photoshop work. Once I turn it in, if the company chooses my projects over other employees, I get paid for it.

- **Employer: Super Purposes**

**Job Title: Digital Video Specialist**

*Duration: May 2022 - November 2022*

Besides freelancing, I have worked as an intern for a career coaching and advertisement program company with a position titled "Digital Video Specialist." This is a 100% remote 6 month or 200+ contract job which the duties are video editing and video development. The company uses the all forms of social media applications in order to advertise their company.

- **Employer: Scandinavian Designs**

**Job Title: Sales and Warehouse Associate**

*Duration: August 2021 - March 2022*

A furniture company position based on interior design, providing high-level customer service and solutions, to help customers and clients design their desired furniture layout throughout their homes. I use various software applications to conduct transactions for customers and clients.

## OTHER EXPERIENCES

- **Employer: Whole Foods**

**Job Title: Grocery Store Clerk**

*Duration: September 2019 - March 2020*

I worked in the grocery department where I stock food items in the back and front of the store. I also help customers and Amazon grocery deliverers to food item they request throughout the store.

- **Employer: Allied Universal**

**Job Title: Security Patrol Officer and Security Control Center Operator**

*Duration: March 2015 - June 2018*

Responded to inquiries and requests for assistance from visitors and staff members. Circulated among the building's visitors and employees to secure the property.

- **Employer: G4S Security Solutions**

**Job Title: Security Guard Officer and Part-Time Security Manager**

*Duration: June 2013 - March 2015, January 2019 - April 2019*

Operated detection devices to screen individuals and prevent passage of prohibited articles into restricted areas. Used different security alarms and software to maintain building security. Managed and supervised other security guards to patrol designated areas of the building.

- **Employer: Universal Protection Service**

**Job Title: Security Guard**

*Duration: September 2011 - June 2013*

Patrolled interior and exterior locations to detect unauthorized entrance to certain properties. Completed computerized daily reports of regular activities and notable incidents, including theft and property damage.
